

2008 Directory - Galleries and Museums

Updated on April 26, 2008

✓ **When you visit any of these places, make sure to let them know you found their information on *The Country Register* website!**

✓ We are constantly in search of more museums and galleries to add to this Directory. Please check back monthly for updates.

✓ This Directory is made up of both current and past *Country Register* advertisers. **Current advertisers have a notation (Ad) next to their name** - you can download the current issue (**April/May**) off the website, www.countryregister.com/kansas or look at a hard copy of *The Country Register* to find out more information about that shop! Or...give them a call!

✓ If you are traveling a long distance, please check with the museum or gallery for their hours! We apologize if a place has closed and they did not inform us. Please let us know so we can keep the Directory accurate!
